

A CHAMBER OF COMMERCE FOR KITTELY

Why not? There is a wonderful opportunity to further develop the resources of that growing section. There are a number of hustlers and boosters that are doing things now. Let's take hold and assist them. The town has its thriving bank, fine schools. The new bridge will further its progress. Attend the first meeting of the new Chamber of Commerce.

SOCIALISTS ATTACK PRES. WILSON AND PARTY IN POWER

National Convention is Being Held in New York--Predict Party Will Poll Two Million Votes

(By Associated Press)
New York, May 8.—An attack on the administration of President Wilson and a prediction that the Socialist party would poll more than two million votes in the 1920 Presidential campaign were made today by Morris Hillquit, elected temporary chairman of the Socialist National Convention at its opening session here today. In his speech which was regarded as the keynote address of the convention Mr. Hillquit, one-time candidate for the New York Mayoralty, prophesied that

the party would survive the concerted attack "unparalleled in ferocity and lawlessness" made on it in the last year by "all the powers of darkness and oppression in the country." Turning then to the present administration Mr. Hillquit declared that the last three years furnished the most striking and abhorrent proof of the fallacy of the "good man" theory in politics. "If there remained any large section of workers who put their trust in an old party Messiah," said Mr. Hillquit, "Woodrow Wilson must have effectively destroyed their faith."

GERMANY WANTS CHANCE TO TALK AT SPA MEETING

Delegates Say They Will Not Appear If It Is Arranged for Them Only to Listen.

(By Associated Press)
Berlin, May 8.—Germany's delegates to the Spa conference will refuse to attend that meeting if not assured they will be given a hearing, said Dr. Wirth, minister of finance, speaking at Dresden yesterday, according to a German newspaper. They will be prepared to weigh the true state of affairs before allied representatives, he declared, and will be able to demonstrate that the economic condition of the continent depends upon that of Germany.

"I will show the door to anyone suggesting to me that Germany is bankrupt," he asserted. "The fate of the German mark is the fate of the French franc. We are going to Spa to give a straightforward, honest explanation. We have nothing to hide. If, however, we are only to hear the deliberation of others, we will not go."

TRAIN SERVICE IN FRENCH CAPITAL BETTER

Striking Employees Are Fast Returning to Work; Find Bomb on Subway Track.

(By Associated Press)
Paris, May 8.—Many of the striking railway men are resuming work it was said today in official circles and the service has improved. The laborites, however, assert that three-fourths of the railway men are out. The general federation of labor announced this afternoon that it would inaugurate a campaign of propaganda to strengthen the effectiveness of the strike movement at certain weak points. The police have made three raids and arrested five persons in connection with the circulation of a revolutionary pamphlet. What was supposed to be a bomb was found on the subway tracks today.

Will Huntley Be the Goat?

Huntley N. Spaulding of Concord, brother of Ex-Governor Rolland Spaulding, should promptly notify the committee which has been named to ask him to run for United States Senator to disband. Mr. Spaulding did his "bit" in the state to help win the war, but it in no way fitted him to succeed George H. Moses as United State Senator. The fact is plain to every one, and we believe it is to Huntley, that a few would-be leaders and sorcerers are trying to "gel" Senator Moses. The so-called Spaulding committee should retire—in fact, several names used were not authorized and they have publicly declared for the Senator. Senator Moses will, when the time comes, be opposed by a Democrat.

That that ought to help some. He must have had a hard struggle trying to buy glad rags on the rent.

That the democratic women of Rockingham county are coming to Portsmouth soon.

That they are going to meet at the Women's Building on Middle street.

That the Rockland Courier-Gazette tells us that "Barber, Elwell had the distinction of shaving a 96-year old customer Saturday, when John Graves of Rockport sat in his chair and listened to the uninterrupted symphony of the barber's razor and voice. The other patrons expected to be 96 before they got out, judging from some of the remarks."

That the patrons should worry; they could grow a fine crop of spinach while they were waiting, and give the barber more work for his money.

That the old Sagamore engine will soon reach the scrap heap.

That "nifty boards" are more numerous in Elliot than in France.

The price of flowers has soared since Mother's Day became general, and while there are many purchasers in spite of the fact, there are others who will wear the miniature flag or the red, white and blue ribbon which has now come to have the same meaning, a tribute to the mothers when worn on Mother's Day, for the mothers were loyal to their country, and gave their sons for the cause of humanity in the World War.

GEN. PERSHING WILL STOP IN THIS CITY MAY 23

Herald Suggests a Committee Be Appointed to Receive Him and Give Ride About the City.

Gen. John J. Pershing, who is scheduled to make an automobile tour of Maine the week of May 24, will, if present plans are not altered, be in this city on Sunday, May 23. He will remain here over night so as to get an early start for his first day's visit in the Pine Tree state, which will include stops in Saco, Biddeford, Portland and Poland Springs.

The Herald suggests that some recognition be taken of the visit of the general in this city, and proposes that a committee of citizens be appointed to call on him. It would be nice if an arrangement could be made whereby the general could be driven through the downtown streets of the city, thereby giving the people of Portsmouth an opportunity to get a look at him.

The general will be met at the Military side of the bridge by Gov. Milliken and other state officers who will accompany him on his trip through Maine. The Herald will have more to say regarding the arrangements in a few days.

On Tuesday, his second day in Maine, the general will visit Bates College, Bowdoin College and Bath, arriving in Augusta in the evening. On Wednesday, he will visit Waterville and Skowhegan. He will leave Augusta at 8 o'clock Thursday morning, reaching Bangor at noon, and in the afternoon he will address the students at the University of Maine.

On the way to Bangor a stop will be made at the Maine Central Institute at Pittsfield. On Friday he will leave Bangor, visiting Machias, Calais and Eastport and on Saturday go to Houston, reaching that place at noon. Presque Isle will be reached about 3:30 o'clock which will be the last stop on the trip. Gov. Milliken, Adj. Gen. Presson, members of the Executive Council and members of the Governor's Staff will accompany Gen. Pershing on the trip.

PEOPLE'S OPINIONS

More About the Dolphin
Portsmouth, N. H., May 7, 1920
Editor Portsmouth Herald:

I noticed in your Navy Yard Notes of May 5th's issue an item signed by a citizen asking why the Dolphin had gone to the New Orleans yard for repairs when her home yard is Portsmouth. The question can be answered and if he desires the information he should communicate with the Chief of Naval Operations, Navy Department, Washington, D. C.

But why stop with the Dolphin? Why not ask why the Stirling and Israel were sent to Portsmouth for their repairs when neither of them have Portsmouth as their home yards? It is the policy of the Navy Department to send a vessel to her home yard if practicable whenever she needs an extensive overhaul and this would probably be the case with the Dolphin were she in need of a large amount of work. This ought not to be the case if the work the Portsmouth yard turns out in as good as we are given to believe it is, as she only left here last October after having been given a very extensive overhaul.

Your "citizen" states that the Portsmouth yard needs the work. He is probably not informed that there is enough authorized work on ships of the Navy now at this yard to employ a force at least 25 per cent larger than the present one for at least a year and a half. The only thing that is holding it up is the fact that Congress will not provide sufficient funds under the Naval Appropriations to permit the Department to make sufficient allotments.

Such an item as the one referred to, unless answered in the same issue, only tends to create a great deal of discussion and unfavorable comment among the navy yard workmen as to the Navy Department's attitude toward the Portsmouth yard.

Men who have enlisted since Jan. 1 will receive the benefit of this increase, and men who have been discharged since Jan. 1 and to date have not re-enlisted will have the difference in their old and new pay given them on proper application to the Navy Department.

Men who have been discharged since Jan. 1 and have re-enlisted will be entitled to receive the difference between their bonus of four months' pay at the old rate and the new rate.

The average amount of back pay received by enlisted men will be approximately \$200 and will no doubt be paid the first or second pay day after passage of the act by Congress.

Washington, May 8.—Two million suits of overalls are to be sold immediately by the War Department. It was announced by Congressman Upshaw of Georgia, a proponent of the "wear overalls" movement.

Mr. Upshaw denied that he and Senator Dill of South Carolina, another wearer of the blue denim, were "designing politicians attempting to boost the price of cotton."

"The slight rise in the price of overalls is offset by the fall in the price of clothing," he said.

FIFTY YEARS AGO IN PORTSMOUTH

"May fifth was the anniversary of the Market street fire of 1845, which destroyed a large amount of property—larger than has been burnt at any one time since, and which has never been exceeded by more than two or three fires here, we believe. It was of a warm summer morning—and we well remember seeking to fight the fire all night long, in the attic of the old Journal office, with the late Messrs. Miller and Brewster and all hands. The glass in the rear window was shattered in a singular manner by the heat and water, but did not fall out, and remained thus a curiosity for years. Of those who were burnt out that night, were Messrs. Hill & Carr (who had been there ten years previous and we hope may remain there many more) Dr. Kimball, Messrs. Mathies, Lyman, E. M. Brown and others who still are or recently were in trade. A quarter of a century has passed since then—a long while to look forward, but nothing to look back."

"The New Castle summer fishing fleet, long since, under Admiral Zachariah Randall of the Dashaway, flagship, is doing a fine business, having landed more fish than in any previous season for years. Even the Dr's homestead, took 25 nice cod in the river a few days since in an hour or two. Messrs. Harding and Donahue divided on their flukes or pickled 700 quintal of fish during the past month of April from deer and harbor boats. Fishing is good down river now."

"It is worth a visit to the old Spring Market (now kept by Messrs. Randall & Caswell) early any morning to see the amount and variety of fish which arrives there and is sent off on the morning trains north and west. Wednesday we noticed four splendid haddock, caught off this harbor and weighing about 1000 lbs. each, haddock, mackerel, five lobsters packed in sea weed for shipment, bottled lobsters, lobsters being boiled, etc., the best of all, however, was the malacostracydous fish of the genus Salmo R. & Co. have made arrangements to have constantly on hand salmon for retail."

"The Strawberry festival given by the ladies of the Universalist society on Wednesday evening at Congress Hall was largely attended and in every way a success. The strawberries and ice cream were delicious and extensively patronized; and the floral show was very beautiful. A large sum of money (containing two rings) brought \$49, and about \$15 was received at the door. The gross receipts were between \$250 and \$275, which should leave a comfortable balance after all expenses are paid."

"In the U. S. House of Representatives on Tuesday, Mr. Lynch of Maine introduced a joint resolution, which was referred, authorizing the Secretary of the Navy to sell the navy yard at Charlestown, Mass., and to remove the materials to this naval station."

"The match game of base ball at the Plains Tuesday afternoon between the second nine of the Granite States of this city and the first nine of Senior Whiffles of Kittery resulted in the victory of the latter by 29 runs."

"Captain Albert T. Salter left this city on Tuesday morning for Spain to take command of the ship Simla, owned by Messrs. Fredrick & Son, Captain Porter having requested to be relieved from the command."

FORTY-SEVEN YEARS IN CHARGE OF CEMETERIES

Michael J. Griffin, one of our well known citizens, today completes 47 years of service in cemetery work. Mr. Griffin, who is associated in business with his son James P. Griffin, is known to almost every one in the community and many outside. He has had charge of the cemeteries of this city for so long a time that he knows the location of every lot and countless answers to end of questions put to him by visitors to the resting places of the dead. He held the position of street commissioner in this city at one time and has been a member of the board of police commissioners for some years.

Thomas L. Kane of New York is the guest of Fred Ward and family of Mill avenue.

OFFERS REWARD FOR RECOVERY OF BODIES

J. B. Chesterton and D. J. Foss, authors of Reginald, Chesterton and Leo Foss respectively, the young members of the crew of the Radio boat, which was sunk last Monday afternoon with the loss of Chesterton and Foss, were here on Friday and requested the crew from the coast guard station in dragging the vicinity of the scene of the sinking of the boat. This was done under the supervision of Supt. S. B. Smith of the Life Saving District and the crews were at the work practically the entire day, not returning to the station until dark.

No trace of the bodies was found until Messrs. Chesterton and Foss have offered a reward of \$50 for the recovery of each body. Fishermen and lobstermen are asked to keep a sharp look out and, of course the Coast Guard crews along the coast will do their share.

The two men have arranged with Supt. Smith to pay the reward and care for the bodies if found and any information should be given to the coast guard station or to the Superintendent's office in this city.

Mr. Foss has been in the life-saving service for thirteen years and Mr. Chesterton almost as many years. They are both badly broken up over the loss of their boys.

Certified Milk

Is the ideal raw milk and is very desirable. It is reasonably safe but expensive and is not sold or produced in Portsmouth or immediate vicinity.

Farmers and citymen know that tuberculosis occurs oftentimes even in the most expensive and best cared for herds of milk cows and because of this fact many producers of fine stock insist that calves be fed only pasteurized milk.

Should milk for children and our own consumption be less safe-guarded?

CLEAN MILK PASTEURIZED

IS THE ONLY

ABSOLUTELY SAFE MILK

and is produced in Portsmouth in the most modern milk plant in New England and is sold at the same price as ordinary milk—13 cents per quart—which our central delivery and volume of business makes possible.

It is more profitable for us to sell the raw milk (while the health laws permit it and the customer is indifferent), but we recommend and prefer to sell a safe and sanitary product at a loss profit.

We respectfully solicit your patronage and invite inspection of our plant.

DOVER TROLLEY MEN SEEK WAGE INCREASE

Dover, May 7.—The conductors and motormen of the Dover, Seaboard and Rockaway trolley system are asking more pay, and their demands have been made to the management of the road with the result that a conference between the heads of the union and Philip D. Hood of Doverhill, general manager of the Massachusetts Northern Street Railway Company, of which the local street railway is a part, was held with the result that the offer made by General Manager Hood was unsatisfactory and the matter is still pending.

The motormen and conductors are understood to ask for 18 cents an hour maximum wage.

ANNOUNCEMENT

On and after Tuesday, May 4th, at the South Street Service Station, we shall be equipped to render prompt and efficient Automotive Service. We shall specialize in Electrical Work. To support this statement we would announce that we have secured the services of Mr. Leroy Chaso, whose ability is already well known to many local automobile owners.

Prompt and efficient service in the automotive line necessarily depends upon adequate machine shop equipment, which we consider one of the most important functions in the automobile repair work.

At an early date we shall be equipped with a truck capable of handling any kind of tow work. We shall carry a full line of automobile accessories, oils, greases and gas.

At present and for a short time we shall be slightly handicapped by building alterations and installation of equipment.

YOUR PATRONAGE SOLICITED.

COMPLETE PROGRAM FOR STATE SHOOT

The Trapshooting committee of the country club have completed the program for the New Hampshire Amateur championship, which will be held at the club traps on June 25-26. The program as soon as approved by the officials of the State Association will be printed and distributed. It calls for a four hundred target in the two days. The first day will be 200 targets for the state championship, with twelve prizes, four classes with three prizes to each class. The second day will be

100 targets to complete the state championship 300, and at the same time the Maplewood Gold Medal 100 will be shot for. This entitles the winner or runner up to shoot in the Maplewood Championship gold medal event and 100 in gold at Maplewood on July 3. In the afternoon there will be a 100 target distance handicap from 16 to 22 yards. This will have four classes and twelve prizes.

These traps will be used and it is expected that about fifty shooters will be in attendance, including the best men of the country. A shoot will be held at the club traps this afternoon and a fifty bird event will be run off.

SEIGAL-ADAIR BOUT A BIG SPORTING EVENT

The bout between Nate Seigal, who is a real contender for the New England welterweight championship, and Barney Adair of New York, which will be staged in this city next Friday evening will be one of the best boxing events held here for some years.

Seigal has fought his way up so that he is the logical contender for the championship. That Young Kibby of Lawrence now holds and it is expected they will be matched later in the summer. He has defeated Paul Doyle and other climbers, all good men and he is a fast and clever boy, and in a match with Kibby will have plenty of backers among the fight fans. Barney Adair is also a good lad, who has fought the best there is in the country. He has won his share of battles, but win or lose, he has always been good enough to give the best of them a real battle.

ROLLINS IS CHECKER CHAMPION OF STATE

Franklin, May 7.—The finals for the checker championship of New Hampshire were played in Franklin this afternoon. Joseph Hoge of Milton, 19, E. B. Drake of Franklin and Harry D. Rollins of Bristol, a former champion, who were tied with six points each in the first day tournament, were the principals.

Harry D. Rollins, by winning two games from Hoge and one from Dr. Drake, made a high score of three in the finals, and is champion of the state and holder of the silver cup.

BISSONNETTE PITCHES N. H. STATE TO A 7-1 VICTORY

Durham, N. H., May 7.—New Hampshire State defeated Massachusetts Agricultural college here this afternoon 7 to 1. The local players did not make an error.

On two squeeze plays in the second inning, New Hampshire scored two runs. The other five runs came by means of hits cranked with a C. C. Brock. A home on balls followed by two clean singles in the third scored M. A. C's only run. Bissonnette for the winners, allowed only three hits.

Sullivan of New York, sparring partner of Mike O'Dowd, only got a draw in his ten round bout with Billy Carney of New Bedford, at the Commercial A. C. last night, the fans figure that he is a good boxer when right. He was not in the best of shape last night yet the game Carney a stiff opponent.

Cleveland Johnny Downey of New York knocked out Charlie Sheppard in three rounds.

Hannovering Howie of Woonsocket handed Young Gould of Brockton a good licking in ten rounds.

THE STANDING OF BOYS LEAGUE

The second week of the Elementary School Baseball League has shown a marked improvement in the individual and team play of every school. Each team has now met every other team in the league, with the following results:

Parochial—Won 3, lost 6.
Lafayette—Won 2, lost 6.
Haven—Won 2, lost 7.
Farragut—Won 1, lost 3.
Spaulding—Won 6, lost 1.

The game between the Parochial and Lafayette teams resulted in a tie and arrangements have been made to play this game on Monday at 4:30 at the play ground.

The Haven team lost to the two leading teams by a single tally in each case. There is fine spirit in this team and also real ability. There is no reason why this team should not win its future games against the Lafayette and the Parochial teams.

The Farragut and the Spaulding schools are handicapped by reason of their lack of a neighborhood play ground, but they are plucky boys and no game is over till the hot man is out. The Spaulding school is a further disadvantage because there are so few to back from. The prospects for their next year's team are very good, however. The new school, with its larger numbers and so situated as to permit sufficient play space will help to build up a team that will make the other schools open their eyes.

Another year the Atlantic Heights school want to participate in the League. As this community develops, it will be in a position to put out a team that will more than hold its own against the others.

The League Committee has heard from the Public Works Department that the small diamond will be rapped off, so that the players will have a better chance to play. The enthusiastic crowds of local supporters have just naturally crowded the base lines and have been a hindrance to both teams.

The Committee is planning a mass meeting of all the players some evening in the near future, at which there will be interesting speakers on the general subject of Sportsmanship and Loyalty to Portsmouth.

Schedule of games for next week:
Monday 10:30 Haven vs Farragut
4:30 Parochial vs Lafayette.
Tuesday 4:30 Lafayette vs Spaulding
Wednesday 4:30 Parochial vs Haven.
Thursday 4:30 Farragut vs Lafayette.
Friday 4:30 Spaulding vs Parochial.
All games at Play grounds.

HIGH SCHOOL-NEWBURYPORT THIS AFTERNOON

The High school baseball team will play its first home game with the Newburyport High at the play ground at two o'clock this afternoon. Through a mistake the ground was assigned to a team from the navy yard, but their game will not be held until 3:30 and the school game should be over by that time. The High school team should have the right of way for its games, but failure to file their schedule with the Board of Public Works caused the mix-up.

MISSION CIRCLE HAS COIN PARTY

The Rogers' Mission Circle held its third gathering of the season Friday afternoon when a coin party was given in the North Church parish house. The children had been saving their coins for the missionary cause and there was not a little friendly rivalry between the boys and girls as to which would bring in the largest amount and the latter won in the contest. There were about 45 members of the Circle present and refreshments of ice cream and cake served.

The annual sale and entertainment given by the Circle netted \$150, which was most gratifying and spoke well of the interest the children took in the affair. A neat sum was also the result of the party Thursday afternoon and this will be devoted to the missionary cause.

MINE SWEEPERS TO PLAY LOCALS

There will be two baseball games at the play grounds this afternoon giving the season a double opening. In addition to the High school-Newburyport game at two o'clock the team from the Mine Sweepers at the navy yard will play a team from the Sunset league the game to be called at 3:30.

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

GOES BACK TO THE PHILIPPINES

Steward R. T. Tetroy of the U. S. Mine Sweeper Auk, completes his term of service in the navy today and leaves for his home in the Philippine Islands via San Francisco. He has been in the service five years and served with the Mine Sweeper Fleet in cleaning up the mine wreckage of the North Sea. Since he has been in this city he has been prominent among the Filipino's and was one of the prime movers in the Rizal Day celebration, a Philippine national holiday on Dec. 30. He has made a lot of friends in this city and among the enlisted men at the yard.

A TIP FOR CRACK BERRY PICKERS IN OLD-KITTERY

Jonesport, Me., May 8.—The farmers and blueberry growers have been busy getting ready for cultivating the berry fields by burning over the fields. The reports to that some of the best berries for many years have been obtained which means that next year, with frosts eliminated, a bumper crop will result.

About 3,000 acres have been burned over, which is approximately half of the ground under cultivation. It is the plan to burn over half of the field each year so as to give a good crop each season. The blueberry season is short.

Don't think the above is hopeless. With our skill and modern Oxygen Acetylene Welding Equipment we can make that "wrecked crankcase" whole and equal to new. We are specialists in repairing broken crankcases, transmission cases, frames, axles, cylinders and all kinds of broken machine parts and castings. Our service will save you money, time and worry.

NAME CENSUS CONTEST WINNER ON MONDAY

Herald's Offer of \$10 Gold Piece for Best Guess Brought in Over 10,000 Answers.

The name of the winner in The Herald's census contest will be announced Monday.

Over ten thousand coupons were sent to The Herald office in answer to this Herald's offer of a prize of a \$10 gold piece to the person who made the nearest guess to the population of Portsmouth as shown by the recent census.

The committee have been at work for a week going over the coupons in their effort to find the lucky winner. There were at least a dozen who came very near.

The name of the lucky winner will be printed in The Herald on Monday.

CATHOLIC CHURCH

Masses of the Church of the Immaculate Conception on Sunday will be held at 7, 8, 9 and 10.30 a. m. on daylight saving time, or 6, 7, 8, and 9.30 standard time.

NO CHANGE IN RATE OF GENERAL HELPERS AT YARD

General Manager Adams Confers With Secretary Roosevelt on Matter.

Capt. J. S. Adams, Industrial Manager at the navy yard was in communication with the Assistant Secretary of the Navy, Franklin D. Roosevelt on Friday evening by telephone on the subject of employment of laborers and general helpers at the navy yard. Following the conversation with the Assistant Secretary Capt. Adams announced that there would be no change in the ratings of general helpers in any department.

MANY ATTEND SOCIAL

Games and Folk Dances Are Special Feature.

The 75th demonstration in games and folk dances was conducted at the High School Wednesday night. The attendance passed the hundred mark and all present were much interested. The program was as follows:

Staging Games—

1. "Did you ever see a head?"

2. "The Jolly Miller."

Active Games—

1. Last Couple Out.

2. Going to Jerusalem.

3. Indian Circle Jump

4. Grand March.

Exhibition of Folk Dances by girls and boys under the direction of Miss Landon of the Haven School was an especially pleasing number.

Chorus Singing led by Miss Susan Northwick.

May Pole Dance, using the steps of the English Rustle Dance.

Folk Dances—

1. 10 Little Lassies

2. When the Sun Shines

Miss Florence Marshall Walker presided at the piano and added much heartily in making the evening successful.

The next demonstration will be held Wednesday evening at seven-thirty, at the High School. New games, songs and folk dances will be on the program.

George Bradley of Newton who has been visiting friends here has returned home.

FALLS FROM A BUILDING AND BADLY INJURED

Milton L. Brewster in New Bedford Hospital With Fractured Leg and Wrists Broken.

Milton L. Brewster, a well known plumber and a former resident of this city and Kittery, was badly injured on Thursday by a fall from a roof of the new home of Col. Green under construction in South Dartmouth, Mass. As far as can be learned Mr. Brewster fell quite a distance and sustained two broken wrists and a fractured leg. He is now under treatment at the St. Luke's Hospital, New Bedford, and will be confined to that institution for a long period.

The injured man was formerly in business with his brother in Portsmouth and left here nearly a year ago to live in the town of Portsmouth. His mother and brother were summoned to New Bedford on Friday by telegram.

ONLY TWO SURVIVORS LIVING

William Horrocks of Northam, Mass., has been visiting his brother, Frank Horrocks in this city, and left this forenoon for Hampton. While here Mr. Horrocks had a pleasant visit with former City Marshal Thomas Giverville, the two being the only survivors of the Third New Hampshire Regiment.

LABOR TROUBLE AT SOMERSWORTH MAY BE SETTLED

First Meeting of Labor Men and Shoe Factory Owners Today.

A committee representing organized labor will today meet the representatives of the Warren Shoe Company at Somersworth relative to the strike which has been in progress for several weeks.

This is the first time that both sides have come together since the day when the manager of the factory posted "closed" signs on the building.

The trouble began when the Union requested the owners to recognize only organized labor. Since that time strike breakers have been imported and are still quartered in the factory at a great expense to the company.

The matter of wages did not enter the controversy. The people of Somersworth are hoping for some kind of a settlement and it is expected that both sides will yield something in today's conference.
